flowing and was decorated with bunt-

THANKS

We desire to extend our thanks to those  
who have co-operated with us in establishing  
quick service for our market. We appreci-  
ate the fact that there are many people in  
Bryan who appreciate the kind of service we  
are trying to give. Yet there are some who  
neglect to order early, thereby making the  
delivery of the order uncertain, as to time.

We propose to give the very best service  
to our customers, and to those who have not  
joined the "Buy Early" movement, we desire  
to further solicit your co-operation and insist  
that you plan your meals for the day early  
and place your order for your meats with us  
just as soon as possible.

We can only give our service to those  
who avail themselves of it.

To get the choicest meats of all kinds,  
fresh and nice, place your order by 8 o'clock  
by phone,
